

Sr.No.	Institute Name	Internship schedule	Duration	Suitable Skills	Expectations from Interns*	Level	Branch Name	Total Seats offered by the Institute
1	IIT Kanpur	June-July 2022	8 Weeks	Interest and Ideas to work in devices development (Prototyping of non-invasive Medical Devices)	Understand the design process and products	Post Graduate	Aerospace Engineering	4
						Post Graduate	Mechanical Engineering	4
						Post Graduate	Electrical Engineering	4
						Post Graduate	Electronics Engineering	4
						Post Graduate	Computer Science Engineering	4
2	IIT Guwahati	15 May – 15 June 2022	4 Weeks	The students who wanted to undertake internship should have relevant degree in that subject/discipline.	Sincere and Hardworking	Under Graduate	Computer Science & Engineering Dept.	5
						Under Graduate	Centre for Sustainable Polymer	3
						Under Graduate	Mechanical Engineering Dept.	10
						Under Graduate	School of Energy Science & Engineering	4
						Under Graduate	School of Health Sciences & Technology	3
						Under Graduate	Chemical Engineering	3
3	IISER Kolkata	17 May - 15 July 2022	8 Weeks	UG and PG both for BS/MS/B.Tech /M.Tech	Solving and Strength in basics, exposure to computer	Post Graduate	Physics	2
						Post Graduate	Chemistry	2
						Post Graduate	Biology	2
						Post Graduate	Mathematics	2
						Post Graduate	Earth Science	2
						Under Graduate	Physics	5
						Under Graduate	Chemistry	5
						Under Graduate	Biology	5
						Under Graduate	Math & Statistics	2
						Under Graduate	Earth Science	3

4	IIT Ropar	23 May – 18 July 2022	5 to 8 Weeks	The students who wanted to undertake internship should have relevant degree in that subject/discipline.	The intern should have the interest to learn rather than getting a certificate only.	Post Graduate	Dept of Bio-Medical Engineering (Biophotonics)	1
						Post Graduate	Dept of Bio-Medical Engineering (Immunology)	2
						Post Graduate	Civil Engineering	2
						Post Graduate	Electrical Engineering	5
						Post Graduate	Mechanical Engineering	4
						Post Graduate	Mathematics	2
						Post Graduate	Chemistry	5
						Under Graduate	Chemical Engineering	4
						Under Graduate	Civil Engineering	2
						Under Graduate	Electrical Engineering	5
						Under Graduate	Mechanical Engineering	2
						Under Graduate	Mathematics	2
						Under Graduate	Metallurgical & Materials Engineering	3
5	IIT Bhubaneshwar	May-July 2022	4 Weeks	Students pursuing B.Tech/M.Tech/M.Sc.	Dedicated spirit to execute the project	Post Graduate	Earth Ocean & Climate Science	3
						Post Graduate	Basic Sciences	9
						Post Graduate	Humanities & Social Sciences	3
						Under Graduate	Mechanical Science	3
						Under Graduate	Infrastructure	3
						Under Graduate	Electrical Engineering	3
						Under Graduate	Electrical Communication & Engineering	3
						Under Graduate	Computer Sciences	3
Under Graduate	Management and Minerals, Metallurgical Engineering	3						

6	IISER Pune	Summer 2022	6 Weeks	1st year of Master Degree in any science discipline	Carry out theoretical, experimental, computational project in consultation with a faculty member at IISER Pune	Post Graduate	Physics	4
						Post Graduate	Mathematics	4
						Post Graduate	Chemistry	4
						Post Graduate	Earth & Climate Science	1
						Post Graduate	Humanities & Social Sciences	1
						Post Graduate	Data Science	1
						Post Graduate	Biology	2
